### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:
2. The primary reference Tognazzini (U.S. 5,739,512) discloses storing digital receipts on a smart card. Reber et. al. (U.S. 5,798,694)("Reber") discloses storing expiration date of products. However, neither Tognazzini nor Reber, nor any other reference of record discloses an electronic receipt electronically storing shelf life information whereby the electronic receipt is provided to the purchaser at the time of purchase in combination with the corresponding structure of the means for reading the recorded shelf life information for a product and a processor which adds the product information to an inventory list and in turn, removes expired products from the list. A combination of these and the other recited features was not reasonable found in the prior art.
3. This Office Action is given Paper No. 20051128.
4. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
5. Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Andrew J. Fischer whose telephone number is (571) 272-6779.
